

## **User Guide to ProwessIQ**

**Step 1 :** Visit the website “<http://prowessiq.cmie.com/>”.

**Step 2 :** On the home page click on the “Download ProwessIQ exe” tab, to download a small executable file. Refer to the screen shot below:

The image shows a light blue rectangular button with a thin border. The text on the button is centered and reads: "Download" in blue, "ProwessIQ v1.96" in red, and "Build: 10 Feb'21 [ 19:50 ]" in red.

**Step 3 :** Run the file.

**Step 4 :** After successful installation a shortcut will be created on the desktop.

**Step 5 :** Double click on the icon to access the ProwessIQ database with the user id and password received in your Email. This mail would have come from email id “p.intimation@cmie.com”
