INTRODUCTION

Government College of Commerce and Business Administration is an initiative of the Department of Higher Education, Chandigarh Administration. It is a pilot project which is established with a view to catering to the growing demand for commerce and management education in Chandigarh. This is the only College in the city which provides qualitative contemporary education exclusively in the sphere of commerce and management. The College had a very humble beginning in terms of student input and infrastructure in July 2007 but since then it has witnessed an unprecedented growth. The College is successfully running B. B. A. and B. C. A. courses in addition to B. Com. and M. Com. Courses.

Our Vision

To attain the status of a unique hub nurturing learners in the diverse faculties of Commerce, Management and Computer Application, with a holistic concern for the individual, society, and nation.

Our Mission

- Chiseling a destination for ourselves in the specialized field of Commerce, Management and Computer Application.
- Empowering students with all the knowledge and guidance that they need to become worthy professionals.
- Learning through “hands on experience.”
- Imparting value framework that is global yet national.
- Providing holistic and value-based development of students that ultimately enhances their employability.
- Developing social consciousness among students.
- Providing a humanizing and motivating milieu so that students may utilize their potential to the optimum.
- Grooming youth to become a truly global personality, well equipped to deal with the modern world and its challenges.
- Enable holistic development of personality with a benevolent and global outlook.

Our Motto

- The motto of our college “Know, Explore and Grow” envisions the very essence and philosophy of the college. The College endeavours and inspires to know, to explore and with that knowledge and exposition to grow both in academics and co-curricular activities.

ABOUT THE COLLEGE

The fame of an institution rests on the shoulders of its Faculty and Students. The collective efforts of both along with the physical infrastructure and other support system sets the stage for the advancement of the institution.

Staff –The Spine of Institution

Teaching Faculty

The college is yet to have its own sanctioned posts. However, in addition to *the Principal* we have *Dean and Vice Principal* who are looking after the work of academics and administration in liaison with the Principal, Staff and students to run the affairs of the college. The Dean of the College is Mr. Amarpreet Singh and Dr. V. Magesh is designated the Vice Principal. Amongst the teaching faculty, seven regular staff members have been deputed from various government colleges including the Librarian. The department of Higher Education has also appointed *twelve full-time Assistant Professors on contract basis against additional sanctioned posts*. It is their consistent efforts, passion and hard work that has led to smooth functioning of the college. This has led to achievements of new heights for the students in the field of academics, sports and extra-curricular activities.

The Administrative Office

No college activity is complete without the cooperation of the administrative staff that works and coordinates with the teaching staff to ensure smooth functioning of the institution. The Accountant of the college, *Mr. Balwinder Singh* heads the Administrative Section. His team comprises of Mr. Naresh Kumar, Ms. Sakshi, Mrs. Surjit Kaur, Ms. Dalbir Kaur and Mr. Kuldeep Singh as the supporting clerical staff and Ms. Monika has been designated as Data Entry Operator. Mr Sanjeev Kumar is the Personal Assistant to the Principal. He actively assists the Head of the Institute to carry her day to day proceedings. Amongst the other non-teaching staff, there are many Class III and Class IV employees who work in tandem for the smooth functioning of the college. There is one Laboratory Technician, Mr. Gaganpreet Singh who maintains the computer laboratories and Server Room.

PHYSICAL INFRASTRUCTURE

The college building is spread over an area of 9.17 acres and is the latest and modern in design. The academic area consists of twelve Lecture theatres, sixteen class rooms, twenty Faculty rooms, One seminar room and Canteen area. The entire academic block is linked and well connected by wide stair ways and ramp area. Large balconies enough to house 300 students are available on each floor. The entire LTs and Class Rooms have been fitted with the latest smart gadgetry for teaching.

The Administrative Block includes three floors. *The Ground Floor* consists of Principal's Room, Office, Fee Counter, Bursar's Office, Dean's Room, Vice-Principal's Room, Registrar's Room, Placement Cell, Medical Room and Pantry. *The First Floor* has the College Library including the Reading Hall, stocks, store, and Librarian's Office is also housed. On the *Second Floor* four rooms are allocated to the examination board and four are for the library, the reading room for boys and girls are housed there. *The Third Floor* includes students' activity area which includes gym, sports room, mediation room and society rooms.

The entire area of the college has been designed and developed with the latest design and concepts. The major added features of the infrastructure include the *real time air pollution monitoring system* installed by the pollution control board in the campus of the college. *The solar cells/solar power system* has been deployed wherein on 50kw plant capacity is being installed on the roof top. The building is equipped with *rain water harvesting system* where all the rain water is being collected routed directly into the rain water collection area and in running very efficiently. The entire build up area is adequately filled with complete *firefighting system*. All most all the rooms and area outside is being monitored by the **CCTV cameras**. The basement has in house parking facility for parking two wheelers of the college students. And adequate parking area is available for four wheelers around the entire building of the college. It can accommodate around two hundred cars.

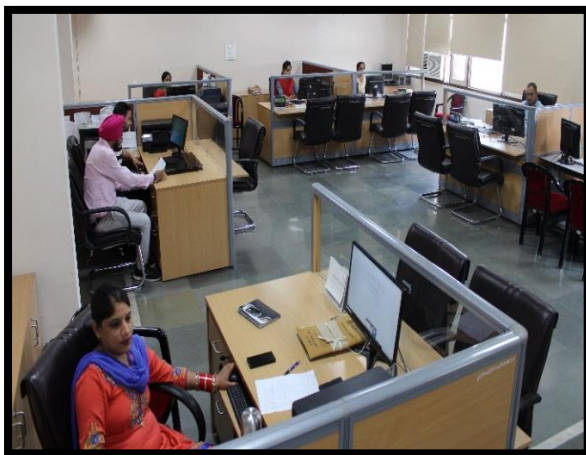

A digital kiosk has been installed in the library to enable the students to find books available in the library and blogs of the teachers.

It has access to 10 MBPS lease line and the whole campus is Wi-Fi enabled. The College has no overhead wiring. It is surrounded by green pavers that will be enhancing the aesthetic

beauty in near future. Ramps have been constructed for specially-abled persons that has access from all the sides of college building.

The Institute envisages a campus that promotes interaction between faculty, students and scholars of different disciplines. It is planned to make it a 'Green Campus' with minimal energy consumption. *In the coming phase of the construction, the hostel, college sports ground and multipurpose auditorium is planned.*

Smart Classrooms and Lecture Theatres

Smart Classrooms

The college takes pride in having a very well equipped and acoustically well-maintained Seminar Room. The Smart Classrooms are technology enhanced classrooms that foster opportunities for teaching and learning by integrating learning technology, such as computers, specialized software, audience response technology, assistive listening devices, networking, and audio/visual capabilities. All Smart Classrooms support video projection from a laptop and all rooms contain resident computers. Wooden dual desks of the latest design are provided to the students for their ease and comfort. The academic area consists of twelve Lecture theatres, sixteen class rooms, twenty Faculty rooms, one seminar room and Canteen area.

OTHER FACILITIES

LIBRARY

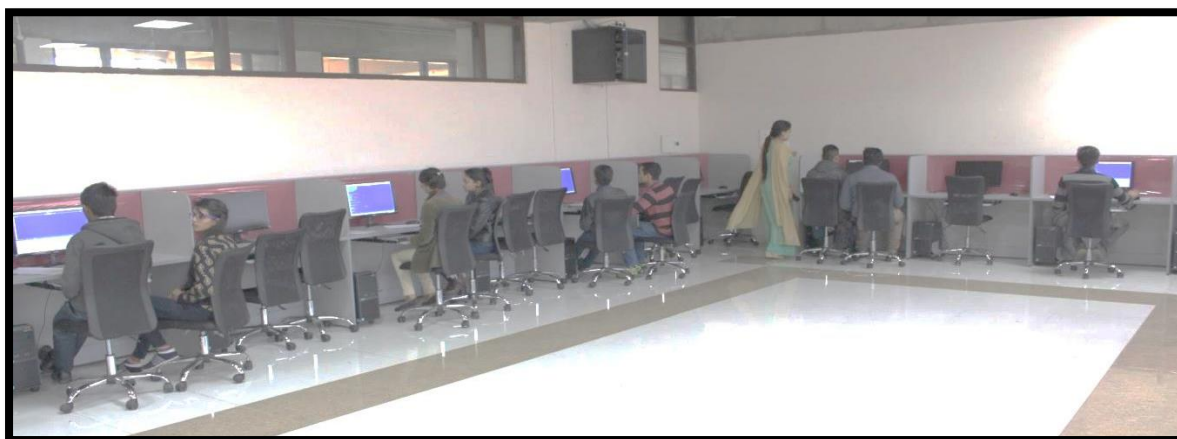

The college library has been established as per the requirements of the students, faculty and staff members of the college. It has two reading halls and also an outer section hall for its readers for consulting personal books. The Library has a total seating capacity for 140 students at a time. The first floor is equipped with a circulation counter, a reference section, digital corner and a large reading hall with a seating capacity for 100 students at a time. Additionally, the first floor is dedicated to book stacks, a silent reading area with reading carrels, a faculty research and periodical section. The second floor is equipped with reading room for boys and girls.

The Library has a collection of 6407 documents which includes textbooks, reference books, general books, non-book materials and E-books. The Library subscribes about 35 Magazines and 15 newspapers. A digital kiosk has been installed in the library to enable the students to find books available in the library through library website, i.e. gccbalibrary.ac.in. The digital corner has been set up in the library to enable students and faculty members access to Web-OPAC (Libsys), N List and database of EBSCO host and PROWESS. In order to improve the standards of research work for students and faculty, the infrastructure facilities available in the Library. The latest addition to the library is RIFD system

COMPUTER LABS

From the very inception of the College, our emphasis has been to provide the best technology to all the stakeholders, therefore all the administrative and teaching work is being carried out using computers. Students can freely access them in the computer labs and also in the Library. At present, the College has four servers, thirty smart classrooms equipped with podiums and two hundred two desktops.

The three computer labs are well equipped with latest software such as Microsoft Office 2010 & 2013, SPSS and Tally. All the labs are equipped with 24*7 online UPS, Optical fibre backbone LAN, and 10 MBPS lease line from BSNL Wi-Fi routers have been installed in the entire campus. The security and connectivity issues are handled through software's like NEBERO. It helps to manage speed and keep track of faculty and students visiting various websites.

INTERNET CONNECTIVITY AND Wi-Fi ACCESS

BSNL Leased line connectivity of 10 Mbps is available throughout the year in the campus. LAN connects all the computers through client server network. The whole campus is Wi-Fi enabled with controlled accessibility for students and staff. The college has a total of 241 Desktop Computers and 259 CCTV cameras. Additionally, many faculty members have been issued laptops for their convenience.

ADMISSIONS

To ensure the effective admission process and enrolment, various measures to publicize its merit through advertisements in national newspapers, at College websites and the website of the Chandigarh Administration are taken at the directorate and college level. Centralized admissions were held at respective colleges affiliated to Panjab University for all the colleges in Chandigarh. For centralised admission e-campus portal is being used.

EXAMINATION

The examination branch functions under Dr. Bikramjit Kaur as Registrar, Examinations and she heads her team professionally in successful running of its operations. They ensure smooth conduct of the house examination and University Examinations. They also take care of internal assessment to be sent to Panjab University as per norms. Our College has also been the examination centre of various National and State Level competitive examinations.

University Examination Results

The detailed results are presented below:

AWARDS AND PRIZES

Our college gives due recognition to the endeavours of our students. On the College Annual Day, we honour our students who excel in academics, sports, co-curricular and extra-curricular activities and award them with the Roll of Honours for their performance in academics, cultural activities, sports and other activities held in the college. Awards and Prizes are distributed amongst meritorious students according to the norms set by Chandigarh Administration, Panjab University, and the College from time to time.

SCHOLARSHIP AND FEE CONCESSIONS

The Education Department of Chandigarh Administration has executed various welfare schemes like Fee Concession and Scholarship to help meritorious students continue education by DBT mode sponsored by state and central government agencies. GCCBA-50 has

committee headed by Convenor Dr Bikramjit Kaur and all class in charges. The committee ensures that the students belonging to various categories such as SC, ST, General, minority and students whose parents are having an annual income of below one lakh are provided with necessary financial support. About 93 students from various categories applied for scholarship in the session 2020-21 as per details given below:

Sr. No.	Category	Boys	Girls	Total
1.	Chandigarh SC	4	2	6
2.	Chandigarh OBC	2	-	2
3.	Punjab University	5	11	16
4.	Dr. Ambedkar Scheme for Economically Backward Class	1	-	1
5.	Minority	1	1	2
6.	CBSE and PSEB Online	30	34	64
7.	Other Schemes	2	-	2
	Total Beneficiaries	45	48	93

BEYOND ACADEMICS

The former students of any institution are the assets for its growth and development. They can share the crucial inputs with the institutional faculty and office bearers which lead to the further progress of the college. This college is no exception and following details bear testimony to this fact:

Placement and Career Guidance Cell

The Placement Cell is an extension of the academic pursuit. It guides and prepares students to excel in careers, both academic and professional, through diversified exposures both within and outside the campus. The Placement Cell In-charge, Mr. Amar Preet Singh Sijher with Dr. Aarti Kaushal coordinate with the different companies and student volunteers. They engage the students in activities and expert lectures from academic and corporate world. Various Campus Placement Activities/Drives were conducted in the college:

Date	Event	Details
18th Jan 2019	A Job Fair was organized by GJIMT	Simran Rattan & Piyush Gupta of BBA final year were selected by Tiger Wealth Management Pvt Ltd for the post of Mutual fund & Health insurance agents.
10th April 2019	First ever "JOB FEST 2019"	The Placement Cell organized a 'Job Fest' in which giants like HDFC, Tech Mahindra, Pukhraj International, etc were a part. A total of 19 companies and more than 300 (approx.) students participated in this Job Fest with great enthusiasm. The Fest was attended by the final year students of M. Com, B. Com and BBA from tri-city and beyond. The H.R. Department representatives who came for the hiring process applauded the performance and academic record of the aspirants and the process of selection were still ongoing while writing this report. The Placement In-charge, Mr. Amar Preet Singh Sijher, and his team Dr. Aarti Kaushal and Ms. Kamalpreet Kaur coordinated with the different teams and student volunteers. 150 (approx.) students were enlisted in the various participating companies. The company's representatives praised the efforts of the placement team for their arrangements, coordination and ensured of their regular participation in the Annual Job Fest in the campus.

SPORTS

Sports play a vital role in the development of human personality. Even though the college does not have a fully equipped physical education department, it endeavoured to provide ample opportunities to students to participate in indoor and outdoor sports under the guidance of Dr. Ajit Singh, the Staff and students regularly avail facilities of indoor games like Chess, Carrom Board, Table Tennis, and Badminton, along with Football, Cricket and Athletics.

CULTURAL ACTIVITIES

Cultural activities are the activities which contribute to or enhance the aesthetic, artistic, historical, intellectual or social development or appreciation of members of the general public. Cultural activities mean the training and refinement of the intellect, interest, tastes, and skills of a person. This is done under the dynamic leadership of Dr. Bikramjit Kaur and her dedicated team members.

OTHER CO-CURRICULAR ACTIVITIES

“Other Co-curricular activities” are conducted on or off college premises by various clubs, committees, associations and societies. GCCBA aims for a holistic development of students and nurture their personality. We have been running community outreach programmes in the College with an objective to encourage all the students to participate in community-oriented activities as aimed by NSS. We have various societies based on social themes under the umbrella of NSS. These include:

12	26 November 2020	Sharing of video on : A clean hand is a caring hand	<p>Hand washing is important especially in this time of pandemic. Good handwashing protects against the spread of many illnesses from the common cold to serious illnesses such as covid-19, meningitis, flu, hepatitis A, it reduce the risk of getting others infected.</p> <p>Appropriate way of hand washing <input checked="" type="checkbox"/> A thorough handwashing should include rubbing hands, wrists, between the fingers and under the fingernails. Ideally it should last around 20 seconds and it can reduce bacterial counts by approximately 90% Handwashing requires five simple steps: <input type="checkbox"/></p> <ul style="list-style-type: none"> • WET  • LATHER  • SCRUB  • RINSE  • DRY  <p>When to wash your hands? Handwash throughout the day is important, but even more important during an outbreak. Always remember to wash your hands in these situations:-</p> <ul style="list-style-type: none"> • Before eating food • After blowing your nose, coughing, or sneezing • Before and after caring for someone who is sick • After arriving • After using the toilet • After touching an animal. <p>Germs usually hide in: </p> <ul style="list-style-type: none"> • Work desk • kitchen sink • Doorknob 	

			<ul style="list-style-type: none"> • Keyboards • Remote controls • Toys • Pens, pencil and crayons • Pet cages <p>Things to considered ☹</p> <ul style="list-style-type: none"> • Using clean water is important. Never wash hands by standing water as this could contain germs. • Avoid touching doorknobs, toilet flush handles, use gloves to protect your hands against germs. • Don't leave hand sanitiser unattended around small children. Drinking it is poisonous. <p>Conclusion 🌀</p> <p>Handwashing remains the No.1 tip for preventing the spread of (Covid-19 However, it must be done properly with handwash/soap. When these aren't available the next best option is to use a hand sanitizer.</p>

FACULTY'S ACHIEVEMENTS

The college faculty is a judicious mix of experience and youth. There are regular faculty members, contractual and those appointed through CHES. In addition to teaching, the other activities undertaken by them include conducting conferences, seminars, project work and

cultural programmes. For academic research, they publish their research papers and write books. Some of them set question papers, represent college on university platform and even act as supervisors for the doctoral studies.

FUTURE FOCUS AREA

1. The College plans to have more courses as adequate infrastructure is available to be utilised for more courses. The only issue is of creation of more posts to help start more courses.
2. To develop strategic partnerships with academic institutions as well as the industries. On one hand we wish to partner with top institutions in the country, on the other hand we would like to engage the corporate sector in India.
3. For the same we would like to *tie up with some corporate partners like CII, ICWA, CA Associations that provide industrial training etc or we may also initiate Few Student Exchange programs* by tying up with management institutes such as *UBS, SRCC, IIM* or other management institutes in and around the city to facilitate free flow of ideas and knowledge to bring in multi-region flavour to the academia.
4. It is too early for the Institute to claim world-class research that will address societal problems in a substantial way. However, the Institute can certainly claim numerous innovations in both curriculum and in governance. Any visitor to the Institute can easily sense the enthusiasm and positive energy all around in the students, staff and faculty.
5. Administration should view it seriously that ours is a commerce College & *separate status should be given to this college as against other arts & science colleges* as it is accountable to the purpose for which it is being formed. It needs to create niche for itself in the coming years to be the *topmost specialized college of commerce* to survive in the competitive environment.
6. As we grow, we need to find new ways and means to retain and enhance our spirit of innovation and entrepreneurship and maintain an enthusiastic environment wherein people feel empowered to do things, to take on challenges, to innovate, and not be scared of making mistakes.
7. In Future we would like to provide Industrial training to our teachers as well *to make them aware of industrial working which further may help them to collaborate it with classroom teaching and make learning more effective. We also hope to initiate some Teacher Exchange programs within the colleges or universities* as per the suitability to bring about the multi-diversity in our teaching environment.
8. In the end, with huge investments being made on us, where numerous of our countrymen lack basic needs for a dignified living, it is important that we do not lose sight of our goals and the critical elements to achieve those goals.
