INTRODUCTION

Government College of Commerce and Business Administration is an initiative of the Department of Higher Education, Chandigarh Administration. It is a pilot project which is established with a view to catering to the growing demand for commerce and management education in Chandigarh. This is the only College in the city, which provides qualitative contemporary education exclusively in the sphere of commerce and management. The College had a very humble beginning in terms of student input and infrastructure in July 2007 but since then it has witnessed an unprecedented growth. The College is successfully running B. B. A. and B. C. A. courses in addition to B. Com. and M. Com. Courses.

Our Vision

To attain the status of a unique hub nurturing learners in the diverse faculties of Commerce, Management and Computer Application, with a holistic concern for the individual, society, and nation.

Our Mission

- Chiseling a destination for ourselves in the specialized field of Commerce, Management and Computer Application.
- Empowering students with all the knowledge and guidance that they need to become worthy professionals.
- Learning through “hands on experience.”
- Imparting value framework that is global yet national.
- Providing holistic and value-based development of students that ultimately enhances their employability.
- Developing social consciousness among students.
- Providing a humanizing and motivating milieu so that students may utilize their potential to the optimum.
- Grooming youth to become a truly global personality, well equipped to deal with the modern world and its challenges.
- Enable holistic development of personality with a benevolent and global outlook.

Our Motto

- The motto of our college “Know, Explore and Grow” envisions the very essence and philosophy of the college. The College endeavours and inspires to know, to explore and with that knowledge and exposition to grow both in academics and co-curricular activities.

ABOUT THE COLLEGE

The fame of an institution rests on the shoulders of its Faculty and Students. The collective efforts of both along with the physical infrastructure and other support system set the stage for the advancement of the institution.

Staff –The Spine of Institution

Teaching Faculty

The college is yet to have its own sanctioned posts. However, in addition to *the Principal* we have *Dean and Vice Principal* who are looking after academics and administration to run the affairs of the college. The Dean of this College is Mr. Amarpreet Singh and Dr. V. Magesh is designated the Vice Principal. Amongst the teaching faculty, six regular staff members have been deputed from various government colleges and also the Librarian. The department of Higher Education has also appointed *eleven full-time Assistant Professors on contract basis against additional sanctioned posts. In addition, 08 temporary teaching faculty members for BBA and BCA department have been appointed under CHES-GCCBA 50 society.* Their consistent efforts, passion and hard work has led to smooth functioning of the college. We have scaled new heights for the students in the fields of academics, sports and extra-curricular activities.

The Administrative Office

College activities are incomplete without the cooperation of the administrative staff that coordinates with the teaching staff to ensure smooth functioning of the institution. The Accountant of the college, Mr. Balwinder Singh heads the administrative section. His team comprises of Mr. Naresh Kumar, designated as Jr. Assistant-cum-Caretaker of college, Mrs. Sakshi Rani (Establishment), Mrs. Surjit Kaur, Mrs. Dalbir Kaur, Mrs. Shitu Gupta and Mr. Kuldeep Singh as the supporting clerical staff and Mrs. Monika has been designated as Data Entry Operator & Mr. Ashwani Kumar as Computer Operator, Mr Sanjeev Kumar, Steno, actively assists the Head of the Institute to carry her official proceedings. Amongst the other non-teaching staff, there are a total of 10 employees as Class C and 33 employees as Class D who work in tandem. There are two Laboratory Attendants: Mr. Gaganpreet Singh, and Mr. Sushil, who maintain the computer laboratories and Server Room. Mr. Ashmad and Mr. Raj Bahadur are Library Attendants.

PHYSICAL INFRASTRUCTURE

The college building is spread over an area of 9.17 acres and is the latest and modern in design. The academic area consists of twelve Lecture theatres, sixteen classrooms, twenty Faculty rooms, one Seminar/Conference Room/Hall and Canteen area. The entire academic block is linked and well connected by wide stair ways and ramp area. Large balconies enough to house 300 students are available on each floor. All the LTs and Class Rooms have been fitted with the latest smart gadgetry for teaching.

The Administrative Block includes three floors. The Ground Floor has Principal's Room, Office, Fee Counter, Bursar's Office, Dean's Room, Vice-Principal's Room, Registrar's Room, Placement Cell, Medical Room and Pantry. The First Floor has the College Library including the Reading Hall, Stocks, Store, and Librarian's office. On the Second Floor rooms are allocated to the examination board and for the library, the reading room for boys and girls are housed there. The Third Floor includes students' activity area which includes gym, sports room, mediation room and society rooms.

The entire area of the college has been designed and developed with the latest design and concepts. The major added features of the infrastructure include the real time air pollution monitoring system installed by the pollution control board in the campus of the college. The solar cells/solar power system has been deployed wherein on 50kw plant capacity is being installed on the roof top. The building is equipped with rain water harvesting system where all the rain water is being collected routed directly into the rain water collection area and in running very efficiently. The entire build up area is adequately filled with complete fire-fighting system. Almost all the rooms and area outside are being monitored by the CCTV cameras. The basement has in house parking facility for parking two wheelers of the college students. Plenty of parking area is available for four wheelers around the entire building of the college. It can accommodate around two hundred cars.

A digital kiosk has been installed in the library to enable the students to find books available in the library and blogs of the teachers.

It has access to 100 MBPS lease line and the whole campus is Wi-Fi enabled. The College has no overhead wiring. It is surrounded by green pavers that will be enhancing the aesthetic beauty in near future. Ramps have been constructed for specially-abled persons with access from all the sides of college building. The Institute envisages a campus that promotes interaction between faculty, students and scholars of different disciplines. It is planned to make it a 'Green Campus' with minimal energy consumption.

In the coming phase of the construction, college sports ground and multipurpose auditorium have been planned. A proud moment in the history of GCCBA was that the foundation stone of the hostel block was laid by *Hon'ble Union Home Minister Amit Shah ji on March 27, 2022.* The hostel is nearing completion. The estimated cost of the project approved is Rs 17.7 Crores. The approximate plot

area for the hostel is 2.17 acres. The hostel will be constructed on four floors including ground floor. It will have two separate blocks for Boys and Girls. The details of the proposed facilities are bed rooms for differently-abled persons, Visitors room, Reception, Office, Store, Hostel Superintendent Room , Lifts, Toilets , Nursing Room, Dining hall, Mess, Pantry , common rooms etc. The hostel will have the future capacity of around 260 beds for Boys and Girls.

Smart Classrooms and Lecture Theatres

The college takes pride in having a very well equipped and acoustically well-maintained Seminar/Conference Room/Hall. The Smart Classrooms are technologically enhanced classrooms that foster opportunities for teaching and learning by integrating learning technology, such as computers, specialized software, audience response technology, assistive listening devices, networking, and audio/visual capabilities. All Smart Classrooms support video projection from a laptop and all rooms have resident computers. Wooden dual desks of the latest design are provided to the students for their ease and comfort. The academic area has twelve Lecture theatres, sixteen classrooms, twenty Faculty rooms, one Seminar/Conference Room/Hall and Canteen area.

College Library

The College Library has been maintained as per the requirements of the students, faculty and staff members of the college. It has two reading halls and also an outer section hall for its readers for consulting personal books. The Library includes two reading areas and having the seating capacity for 140 students at a time. The first floor is equipped with a circulation counter, a reference section, digital corner and a large reading hall with a seating capacity for 100 students at a time. Additionally, the first floor is dedicated to book stacks, a silent reading area with reading carrels, TV display on library walls, Property counter, a Faculty research and periodical section. The second floor is equipped with girls' reading room, boys' reading room and one common discussion room for girls and boys.

The Library has a collection of approximately 6516 documents, this includes textbooks, reference books, general books and non-book materials. Herein, about 35 Magazines, 18 Journals and 15 newspapers have been subscribed. A digital kiosk has been installed in the library to enable the students to find books available in the library and blogs of the teachers. Recently, a digital corner was set up in the library so that students and faculty members can access the Web-OPAC (Libsys), N List and database of EBSCO host and PROWESS. In order to improve the standards of research work for students and faculty, the infrastructure facilities available in the Library also includes SPSS (Statistical Package for the Social Sciences). The Librarian periodically holds various programs for the orientation of faculty and students. EBSCO Mobile App Training, Reference Writing, Book Review Contests, etc are organised for enhanced exposure.

FUTURE FOCUS AREA

1. The College plans to have more courses as adequate infrastructure is available to be utilised for more courses. The only issue is of creation of more posts to help start more courses.
2. To develop strategic partnerships with academic institutions as well as the industries. On one hand we wish to collaborate with top institutions in the country, on the other hand we would like to engage the corporate sector.
3. For the same we would like to tie up with some corporate partners like CII, ICWA, CA Associations that provide industrial training etc. We may also initiate Few Student Exchange programs by tying up with management institutes such as UBS, SRCC, IIM or other management institutes in and around the city to facilitate free flow of ideas and knowledge to bring in multi-region flavour to the academia.
4. As we grow, we need to find new ways and means to retain and enhance our spirit of innovation and entrepreneurship and maintain an enthusiastic environment wherein people feel empowered to do things, to take on challenges, to innovate, and not be scared of making mistakes.
5. The following initiatives are likely to fructify in future:
 - a) College hostel (nearing completion)
 - b) Multipurpose Auditorium
 - c) State of the art sports facilities
 - d) 3 months Certificate course in Sports Management
